

DESIGN STUDIO

Form. Function. Flow.

EDITION 212

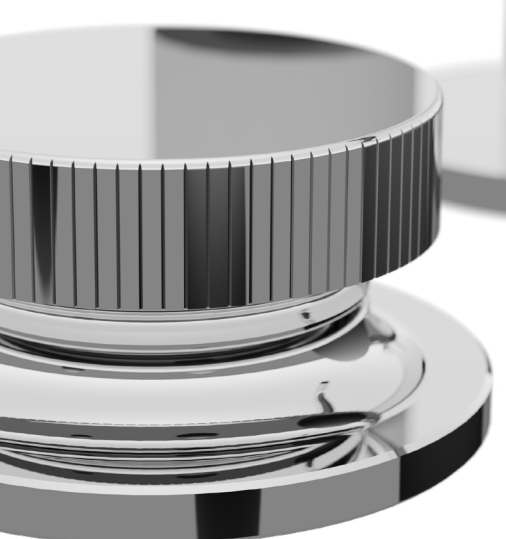

Cylindrical themes forged from industrial design and crafted with a heritage of excellence.

Every edge, radius, and transition is intentional.

Detail and perfection are realized by the sense of touch.

DESIGN STUDIO

Form. Function. Flow.

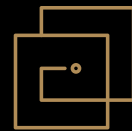

Custom.

Distinctive projects require elements that go beyond the norm; they demand pieces conceived with an overarching vision for the architecture. Through Design Studio Custom, architects and designers can channel their individual perspectives to create one-of-a-kind products that serve the space.

Collections.

Discover collections where architectural form, enduring materials, and uncompromising purpose come together to create a cohesive design language for the most considered interiors.

Collaborations.

Explore collaborations that unite visionary designers, architects, and brands through a shared pursuit of functional form, material integrity, and uncompromising craftsmanship.
